

Garden Tools

Making flowers flourish

1. Eco-culture Seracon (800/465-1818 or eco-culture.ca) makes gardening convenient with the company's Nasturtiums Kit, which includes GMO free seeds, growing mix, a planter and easy to follow instructions. Suggested retail: \$19.

2. Newhouse City LLC (800/523-4000) or newhousecity.com allows gardeners to easily take care with the company's Cedar Tool Box. Made of western red cedar, this ages beautifully, so customers can order it with a clear glass panel on the side or left block. Suggested retail: \$135.

3. Potterydepot (951/746-7467) or potterydepot.com are gardening pots with personality. Each is hand-painted with witty expressions that cut the weeds. Call for pricing.

1. **Eco-culture Seracon** (800/465-1818 or eco-culture.ca) makes gardening convenient with the company's Nasturtiums Kit, which includes GMO free seeds, growing mix, a planter and easy to follow instructions. Suggested retail: \$19
